Statement from New York Lottery on Processing of Mega Millions Tickets for May 10, 2022 Drawing

Following the May 10, 2022 Mega Millions drawing, human error resulted in the incorrect input of the winning numbers in New York State, resulting in an incorrect publishing of the Mega Ball number. The New York Lottery is actively working to resolve the issue as quickly as possible. The Lottery has temporarily suspended prize payments for all Mega Millions tickets and all Mega Millions players should hold on to their tickets for the May 10, 2022 drawing until the issue is resolved.

The correct winning numbers for the May 10, 2022 drawing are: 15-19-20-61-70 and Mega Ball 9.
